Matt, Let me know how much time your team would like. I have some time available to talk on 5/29 (after 315, before 1030) if that works?

Thanks

S

**Subject:** Gasco EE/CA Review

Hi Sean,

The consensus here is that DEQ cannot turn the document around in three weeks. I am working with the Gasco and Portland Harbor teams to determine an achievable schedule. I will get back to you on this. Jim and I were looking to have a discussion about the review schedule and integration of the review with the Portland Harbor FS review during the TCT this morning but it was cancelled. Is it possible to have a discussion on this prior to the next TCT?
